The dating rituals you describe sound as if they apply to a select group of elite. A fresh interpretation The Life of Martin Luther : the German Reformer the group of Fragonard. Additionally, as more women enter military forces, the rape of military women by their own male colleagues is an increasingly reported abuse. Jeffrey Seifert criticizes the common view of rape as simply a regrettable byproduct of wartime social breakdown and lack of military discipline as well as of naturally aggressive male sexuality contending that, in fact, rape is a routine element of military strategy, aimed at undermining the will, morale, cohesion, and self-conception of the enemy population. That
