The Advantages Of Being A Vegetarian

And so, no doubt, from the Swann they had built up for their

own purposes my family had left out, in their ignorance, a whole crowd of the details of his daily life in the world of fashion, details by means of which other people, when they met him, saw all the Graces enthroned in his face and stopping at the line of his arched nose as at a natural frontier; but they contrived also to put into a face from which its distinction had been evicted, a face vacant and roomy as an untenanted house, to plant in the depths of its unvalued eyes a lingering sense, uncertain but not unpleasing, half-memory and half-oblivion, of idle hours spent together after our weekly dinners, round the card-table or in the garden, during our companionable country life.
